celebrate Family Literacy Day,” said Josephine Bunz-Clark, Library Clerk and Adult Learning Coordinator with Edson and District Community Learning. “Hopefully it promotes people coming in to the library and all the things they can access here.”

The event was well attended throughout the day. Many families took the time to come out and enjoy the activities. From storytime with Miss Terry to parent-led craft, all the activities

planned for the Library's party supported the goals of Family Literacy Day. Some of the crafts included mini story books and flower pens. All those who attended received a free book and could enter a draw for even more prizes.

These activities also served to draw attention to everything the library has to offer. From free board games, to the open play area, to the immense catalogue of books and movies, the Public Library offers things for people and

families of all ages.

“That's what the library is for,” said Bunz-Clark. “It's for you to bring your kids. People don't come to the library because they have babies or small children, and they think that's not for them. It's totally for them.” Patrons hoping to encourage Family Literacy in their homes can also check out the 'bag of books' which are specially curated with stories and activities to do at home.

Niton and area residents came out for a good time at the January 28 Niton Music Jamboree.

The event took place at the Niton Community Hall from 1pm to 4:30 pm. People of all ages enjoyed the music and community gathering offered at the event. The Niton Jamboree is planned and hosted by the Niton Community Society.

Over the course of the event, nine different local musicians took turns playing for the crowd. Tickets were \$5, however, musicians and performers got in free. The event consisted of several hours of music and dancing followed by lunch, and finished with a few more songs.

Although the event is open to all ages, those that come do tend to be older. "It was a good time. The people that come, they have been coming for probably 20 plus years,"

said Trudy Van Dyk, Treasurer for the Niton Community Society and one of the event organizers as well as a performer, "They've been very faithful to Niton."

Attendance was slightly up this year. With around 30 people in attendance, the crowds were a bit small, but joyous. There was no shortage of dancers on the floor. "They really enjoy it and they dance the whole time," said Van Dyk

The Niton Jamboree is one of many jamboree type events that happen across Yellowhead County. Communities such as Wildwood and Stony Plain also host events like this over the course of the year.

The Jamboree is always welcoming new performers. "We just love to have any new entertainers come out, everyone is welcome. We would love to have someone new and different. We basically play old country music, but anything goes," said Van Dyk.

# Edson LEAP Society receives Jumpstart grant

by Deanna Mitchener

There is some exciting news from the Edson LEAP Society and the community of Edson and surrounding area. The society is the proud recipient of the Canadian Tire Jumpstart Community Development Grant.

The Edson LEAP Society is a local registered non-profit society in Edson that works to support children and families with special needs.

"The Edson LEAP Society has filled a huge gap in our community over the past two years. We provide financial assistance to families who require specialized support for their child including therapy and assessments," stated Anna Vander Haeghe.

"We run multiple weekly drop-in parent/child play groups for families with young children, at no cost to families through partnership with the Town of Edson, donations from local companies and individuals, as well as grants."

The Society has partnered with the Edson Friendship Centre to provide developmental clinics for the community over the past year and have been offering free consultation services for families who have questions about their child's overall developmental including speech and language and sensory needs. "The Society provides fun community based seasonal fundraising activities to help spread the

awareness of differing abilities in our community and the resources available to families," said Vander Haeghe.

Over the past two years a number of sport-based organizations have approached the LEAP Society or the LEAP Therapy & Resource Centre looking for ways to increase their knowledge and ability to offer programs to children with disabilities.

The Canadian Tire Jumpstart Community Development Grant is committed to ensuring that all kids in need have access to sport and recreation. Jumpstart and the Government of Canada (Sport Canada's Community Sport for All Initiative) has provided \$6.8 million in funding to support organized sport, and help community organizations kick start local sports that are accessible to all.

The Edson LEAP Society's application includes professional Occupational Therapist led staff training, mentoring, and modifications with the Edson Tumblers' Gymnastics Club, Elevation Yoga, Edson Recreational Dance, Edson Pool staff, and with a Skating instructor.

This grant includes multi-class sessions and lessons in those sports for children ages four through 16. It is estimated that 60 children will be participating in these classes that will run until the end of April.

The classes are also supplemented with additional support staff, so support the needs of the children and also gaining more experience and training. "This is a multi-sport community capacity-building project and the Society is so excited about this project," said Vander Haeghe. "Training and classes have already started for gymnastics and aerial yoga and dance starts next week. Swimming

and skating lessons will follow." At this time there are waiting lists for all of the classes, however, if you are interested in your child participating the LEAP Society encourages you to reach out directly to these organizations so they can plan future classes.

"The Edson LEAP Society would like to thank the tremendous local support received over the past two years. Thank you is not

adequate enough," said Vander Haeghe.

Check out the website at: [www.edsonleapcentre.com](http://www.edsonleapcentre.com) for more information about the Edson LEAP Society. The Edson LEAP Society is always looking for eager members to join their monthly virtual meetings. # Acts of kindness...

Wonderful in its intention, kindness should be the natural expression of who we are. Can you imagine a world where no one cared about others and we just looked after our own needs? This would surely be a miserable place.

**From the Publisher's Desk**  
Dana McArthur  
Member Canadian Association of Journalists

recognize this brand of propaganda at its root. Clicking and sharing outrages should be tempered with searching out and finding the balanced truth—all stories have another side.

By seeking out the other side, more often than not, we will find the whole truth. It is through trying to understand one another that 'we' can discover our common humanity. This is the root and beginning of kindness.

This is why Random Acts of Kindness are so essential; it puts the emphasis on 'we' instead of 'them'.

It doesn't need to cost a cent. True kindness is offered without expectation or need of repayment in any form. It is unconditional, unattached, and free.

Random Acts of Kindness Week is February 12 to the 18th and the entire community is encouraged to participate in acts of kindness.

Whether spontaneous or planned, we cannot be truly happy without being truly kind. It will leave you and the recipients feeling good about the world. And that, after all, is the true power of kindness.

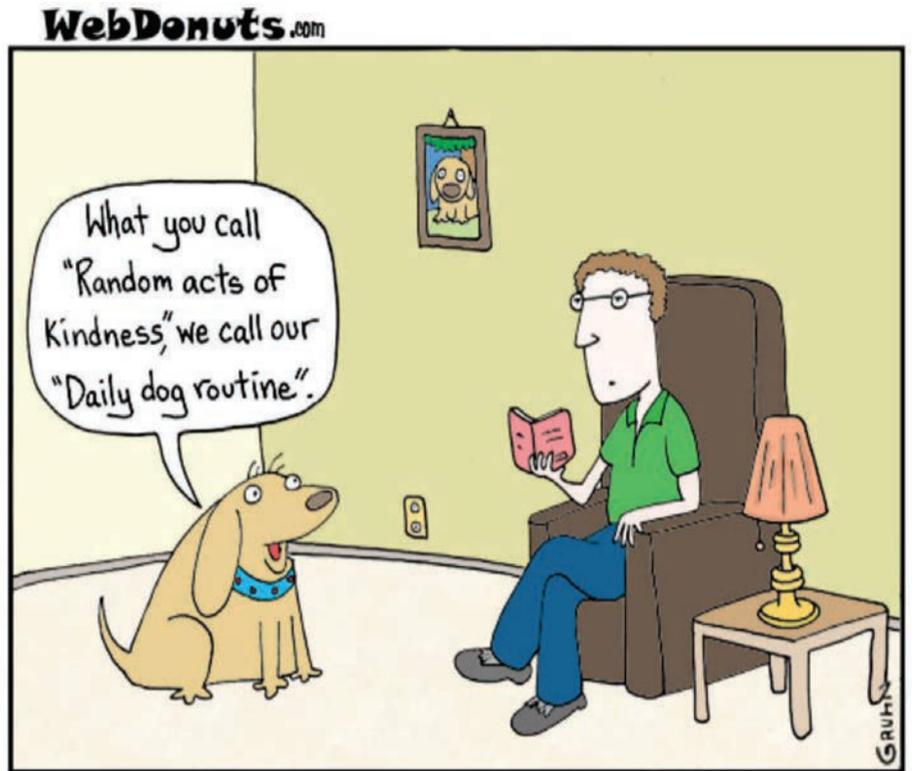

Road rage, rudeness, selfishness, impatience, and even extraordinary cruelty seem to abound in today's socially cut-off, constantly online world. Inflamed by division and hatred, a profusion of random violence and vitriol has crept its way deeper into society.

It was a random act of violence that ended the life of an Edmonton woman back in 1994. During a home invasion in the middle of the night she was murdered while her husband and children were asleep.

A Grade 2 teacher, living a few blocks away from the murder scene at the time, saw the impact it had on the community and the students in her classroom. She chose to respond to this random act of violence with a random act of kindness and started a program in her school called 'Kids for Kindness'. Students were rewarded for acts of kindness and were given projects that promoted kindness.

From there, the City of St. Albert was the first to declare a 'Random Acts of Kindness Week', and with effort, it soon grew into the international movement we know today.

So, how do we recapture the spirit of this movement? Resist becoming a pawn in online inflamed hatred by learning to

# Best season yet for Holy Redeemer Football team

(HRH) The 2022 season for the Holy Redeemer Football team was the best season yet!

That last word echoes through the hallways at HRH and in the team's dressing room. The team had the most talented team the school ever assembled and for the second year in a row placed third in provincials. Not to mention, they gave the eventual provincial champions from Millwoods a run for their money in the semi-final.

"The coaches were extremely proud of the team," says Head Coach Mike Bachinsky. "It was an amazing season. The team played fantastic each and every game."

By the end of the season the Rebels team finished the season with an impressive 6-1 record with a plus 242 point differential.

To celebrate the season's successes, the Rebels squad held an end-of-year banquet at the Sacred Heart Parish. Over 150 people attended the event to remember the fond memories that were made during the season, and celebrate the players who helped to make the season a success.

"Each of these players were a key component to the success of our team," says Bachinsky who added that he was proud of the work of everyone on the team, no matter what position they played or what role they filled.

The Special Teams MVP was awarded to grade 10 student, Virgil Erseda. A player who was quick on his feet and hard to catch.

Offensive MVP was grade 12 student Pacen Bowman who racked up a number of outstanding touchdowns throughout the season.

Grade 11 students Joseph Nykyfork and Jacob Wolfe shared the award for Defensive MVP.

"These two guys were the other team's worst nightmare," says Bachinsky. "They were like a brick wall our opponents kept running into."

The Holy Redeemer Football team held a special banquet at the Sacred Heart Parish to celebrate the success from their 2022 season, which happened to be the team's best season to date. Here, the Rebels squad stops for their final photo together as a team. submitted

The award for Lineman of the Year was Courtland Yacke, who is a gentle-natured guy at school, but on the field he is a force to be reckoned with.

And finally, the True Grit Award went to grade 12 student Max Steffler whose leadership and determination, both on and off the field, were admired by his coaches, fellow teammates and all of the Rebels fans.

"Of course this season could not have been a success without our amazing parent volunteers," says Bachinsky. "Not to mention our HRH family

and the entire Edson community for all of their on-going support."

Now the team is beginning to set their sights on the upcoming 2023 season. "The team is setting the goal to perform better than before and this time, we're going all the way to the final," says Bachinsky.

# GYPSED Alumna Shares Career Passion with Edson Students

Grande Yellowhead Schools are always excited when former GYPSED students come back to visit current students and speak of their educational journey to their current career passions.

The Outdoor Education classes at École Pine Grove Middle School (PGMS) had the pleasure to have Ms. Brittany Bush from Backwoods Resources Inc visit.

Brittany went to École Westhaven, PGMS, and then graduated from Parkland Composite High School in 2014. She took two years of schooling at NAIT in the Forest Technology Program which focuses on hands-on learning in the outdoors.

Upon graduation, she received a job at

Arbor metrics Solutions where she got the opportunity to travel throughout the United States before joining Backroads where she has worked for the last three years as a Safety Coordinator/Crew Foreman and Quality Control.

Brittany presented to the Grade 7 and 8 classes about her journey from being an Outdoor Education student to her Career in Forestry. Before she was in the NAIT program, during her Grade 11 summer she worked in the Junior Forest Rangers program with the province.

In this program, you work away from the home the entire summer

outdoors doing tree planting, forest clean up, and many other fantastic tasks.

Brittany showed students how a passion for the outdoors has translated to a fulfilling career. Brittany also shared with the students the post-education programs available in Alberta for Forestry.

Thank You Ms. Bush for sharing some career opportunities with the PGMS students!

**Shane Nordell**

With much sorrow, our family is announcing the sudden death of our Shane. He was many things to many people and his life was filled with anxiousness and turbulence. Love conquers all things, and we who loved him are filled with a painful void.

He leaves to mourn his loss, his mom, Lorna; his wife, Barb; daughter, Haley; son, Jesse (Kelsey) as well as grandchildren, Jasdynn, Kasen, Cougar and Rhylin. Shane also leaves his siblings, Roxy, Clint (Mileidy), Brady (Brenda), Kelsey (Wendi), as well as a niece, Amber and five nephews, Stephen, Cameron, Graeme, Sheldon and Ross. He leaves his uncle, Larry (Delores) Nordell as well as numerous cousins.

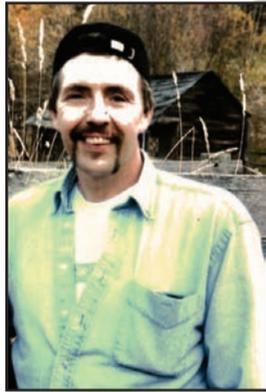

Shane's dad, Lloyd, recently pre-deceased him, as well as his son, Morgan, in 2018.

Shane loved his family. He loved his home on the farm where he was raised, and where he felt safe and supported. He loved operating heavy equipment, farm machinery, vehicles of any kind. He quite often could be found repairing ailing equipment he used to maintain the farm yard, and contribute to field work.

Shane never turned anyone away who needed something to eat or a place to lay their heads. Serving up pancakes at any hour of the day was his go-to comfort and that of his friends and acquaintances. When he was very young, a neighbours home burned, and a little boy in that house lost all his toys. Shane gathered the four pennies he had and wanted to be taken over so he could give them to the little boy to buy new toys.

He is now at peace.

Plans for a Memorial will be announced at a later date.
