Second Annual RCMP Bike Rodeo

by Deanna Mitchener

The second annual RCMP Bike Rodeo was 'fun-tastic'. The event was held on May 27th at the Griffith Park parking lot and ran from 10a.m. to 1p.m.

Constable Amanda Merlin said, "We partnered with the Town of

Edson, CNRL is doing a barbecue for us, and Victim Services is here helping as well. We are here hanging out with kids to teach them some bike safety."

"We are interacting with the youth and getting them interacting with us. This helps

them see the police in a more positive way," said Merlin.

"Victim Services has some baskets for a draw and are handing out materials on bike safety for us. The Town of Edson is doing glitter tattoos. CNRL donated the whole barbecue with free hotdogs, chips, and drinks

—which is really nice," Merlin said.

The sun was shining and lots of kids and families came out to participate throughout the day. It was a very positive event for the RCMP and the youth who attended.

EARS hosts Garage Sale fundraiser

There was a large variety of items available at the EARS garage sale on May 26 and 27. photo Niki Luymes

by Niki Luymes

Edson and area residents came out and support a good cause at the The Edson Animal Rescue Society's (EARS) garage sale on May 27 and 28, at the Rocket Express building on Highway 16. There was a steady stream of people for both days of the sale. "It's been very nice," said Matt Casagrande, a volunteer for EARS. "It's been a big turnout from the community. A lot of people have dropped off a lot a great stuff."

All the items up for sale at the event were donated by members of the community. This created a vast variety of items to choose from. From household items, to clothing, toys, tools and more, bargain hunters had a good chance of finding something they wanted. There was also a raffle running throughout the event.

Along with the items, EARS also had some of the animals currently up for adoption at the event. Ravioli the cat and Tucker the cat were there to potentially find their forever home. All the money raised at their events goes towards vet bills, food, and other necessities for their animals. This event raised over \$1,500 for the organization. The sale was just one of the many fundraising events EARS holds over the year to support their efforts.

EARS is a local not-for-profit that focuses on re-homing animals of all kinds in the area.

Through their network of volunteers and foster homes they provide a much-needed service to the community.

Congratulations!

Recycle Depot holds Spring Toxic Round Up

Rommel Bartolay, Chris Nielsen, Dan Schnee, Jonah Kuzmic, and Wendell Ballard were ready to help assist with all the recycling needs and to serve up some great food at the Spring Toxic Roundup in Edson. photo Deanna Mitchener

by Deanna Mitchener

The community came together on May 27 for the Spring Toxic Roundup at the Recycling Centres in Edson and Evansburg. Items such as old paint, oils, batteries, household hazardous products, and old electronics were being taken in for safe reuse or disposal.

Chris Nielsen with DBS Environmental said, "A lot has changed in regards to the recycling of toxic roundup. Most everything has moved to full time collection now rather than the Round Up days."

"We lost our Swan Hills treatment centre for the province. The previous government shut it down and walked away from it. So now we are shipping stuff as far away as Texas and South Carolina. We had one of the only plants in North

America in our own province and it was shut down," said Nielsen.

"What that has done is that it's taken economics from the community and made it very expensive. There isn't any government involvement anymore," said Nielsen.

"On the brighter side of things, by 2025 we will have a new program called Household Special Products. As part of the expanding producer responsibility program which includes everything from your toilet paper roll all the way up to your weed killer. As this develops over the next couple of years, hopefully we will have some good news on the horizon. Paint and a lot of the materials will still be taken care of as always," said Nielsen.

The Edson and District Recycling Society had

extra staff and volunteers available to help sort and ensure products went to the right recycle area.

After you were done recycling you could sit and enjoy a free hot dog or cheese burger, with refreshments and donuts. They even had a free door prize draw for one adult and one youth bicycle.

Local Edson grad appointed Alberta Court Judge

Edson grad Andrea Hemmerling (middle) was recently appointed an Alberta Court Justice. photo submitted

by Deanna Mitchener

Andrea Hemmerling has some strong roots in Edson, so it's exciting news that this local small town girl has been appointed an Alberta Court Justice recently.

In an interview with the Weekly Anchor, Judge Hemmerling said, "My father's family moved to the Robb area in the 1950's and then to Edson in about 1958. My dad graduated high school in Edson in 1962."

"I was born in Hinton and lived briefly in Slave Lake, and later moved to Edson when I started grade 2. I remained in Edson and graduated from Parkland Composite High School in 1989," said Hemmerling. "I moved to Edmonton to attend the University of Alberta, where I received my Bachelor of Arts degree."

"When I was in high school I completed my work experience at Dennis Calvert's Law firm—that was my first exposure to a law office," said

Hemmerling.

"While working at Children's Services as a frontline Child Welfare Worker, I was exposed to the legal system when I applied to the court to obtain various orders or testify in trials. I found this area of my job to be fascinating and from there I decided to apply to law school and was successfully admitted in September 1999," Hemmerling said.

"While attending university, I worked part time at Robin Hood Association in Sherwood Park. I worked there from 1992-2001. In 1994 I began working as an Outreach Counsellor with TERRA Association. In January 1997, I began working at Children's Services in Edmonton, where I continued to work during summers and part time while attending law school at the University of Alberta," Hemmerling explained.

"I graduated with my Bachelor of Laws degree in 2002. After law school, I moved to Whitecourt where I articulated with Larry McConnell and worked with him for a further four years before branching out on my own in 2008 and opening Hemmerling Law," said Hemmerling.

"I was a sole practitioner and my primary areas of practice were family law, Children's Services work, wills, criminal defence, and real estate. In 2013, I moved my firm to Cold Lake where I shifted my practice areas to Federal Crown work and representing children in Children's Services matters.

"I practiced in Cold Lake until I was appointed Alberta Court of Justice in October of 2022. I began my judicial duties on November 1, 2022. My Court base location is St. Paul, Alberta and the circuit includes Bonnyville, Cold Lake, and Lac la Biche. I often sit in other judicial points in Edmonton Region including Edson, Whitecourt, and

Hinton," said Hemmerling.

Hemmerling and her husband Sasha Hett enjoy spending time with their son Alexander Baker, his spouse Tia, and their four year old grandson Riley as much as they can. "My best friends from high school remain some of my closest friends today," she said.

As dog lovers, the family currently includes five dogs and three cats. "Luckily, we have 80 acres for the dogs to roam. While my husband and I keep saying we are going to reduce the pack to two, we keep finding strays to take in," concluded Hemmerling.

The Galloway Station Museum is hiring!

We are looking for a permanent, PART-TIME employee that will work approximately 2.5 days a week.

The duties for this position include; working with staff to set up for rentals and exciting local events, working with staff to clean & continuously organize workshop, archives and museum collection, working with travellers and residents to provide a great customer service experience, aiding with museum tours, helping staff keep the facility tidy and assisting in other departments as needed. Starting wage is \$18/hr, with a review after 3 months. We are willing to work with the successful candidate regarding scheduling.

Qualifications:

- Knowledge of Edson & area or keen willingness to learn
- Exceptional customer service skills
- Ability to lift a minimum of 25 pounds
- Ability to work well with others
- Must be willing to work some evenings/weekends

Please email resumes to:

OpEd:

Another Carbon Tax

The Liberal Government is adding yet another carbon tax on July 1st of this year. This is merely a tax grab. This second tax will cost Albertans \$1157 per year according to the Parliamentary Budget Officer. Can you afford this?

The cost of living continues to rise. Canadians need help and the Liberals response is to add another expensive and ineffective tax. They claim this tax will help the environment and yet they have failed to meet a single one of their environmental goals. They continue to overspend and under achieve.

As Conservatives, we have been clear in our goal to axe the carbon taxes. This soon to be added carbon tax essentially means a tax on a tax, on a tax, which will cost an additional sixty-one cents per liter of fuel. Justin Trudeau continues to spend your tax money to fuel his vacations while Canadians struggle

Gerald Soroka
MP Yellowhead

to fuel their vehicles and heat their homes. The increase costs to farmers, and transport companies, will only increase food prices.

Not only will this new carbon tax raise prices, but it is also unacceptable that the Liberal government projects it to shrink Canada's economy. Really, how does this additional tax help Canadians?

We Conservatives are dedicated to standing up for you and against this costly Liberal-NDP coalition that is shrinking our economy while raising the price of everything through their tax grabs.

This new tax will only fuel inflation. Canadians can no longer afford a Liberal government. It is time to eliminate both carbon taxes, bring down the cost of living and bring home common-sense solutions.

(Henry Family Vision Care)

Did you know that nearly 25% of Canadians suffer from dry eye syndrome and experience symptoms such as redness, irritation, and frequent tearing? As Edson's local optometry clinic, Henry Family Vision is dedicated to providing leading-edge optometry care and we are excited to provide the latest in dry eye treatment and medical aesthetics. At Henry Family Vision we are excited to offer a dry eye clinic to our patients, offering relief for many of these dry eye symptoms. Our Tempsure Envi and Cynosure IPL machines are designed to treat dry eyes at the source of the issue and provide long lasting relief that eye drops and other treatments can't match.

In addition to providing dry eye treatments these amazing machines can also perform cutting edge medical aesthetic procedures. Last year we unveiled our Tempsure Envi and its dermatologist-grade treatments that smooth fine lines and wrinkles to tighten skin. This year we are proud to

announce the advanced Cynosure Icon IPL which performs photofacials and can treat rosacea, remove unsightly blood vessels, age spots and other skin imperfections, and can even do laser hair removal. No needles or knives necessary, these machines use monopolar radiofrequency or pulsed light to provide amazing results with maximum comfort in our medi spa in a few short treatments. Treat yourself to smooth, young, radiant looking skin.

Join us on June 15th for our 2nd Annual Glow Up Skin Event from 4pm-7pm. There will be live demonstrations, free consultations for both dry eyes and skincare, hors d'oeuvres, drinks, as well as special event pricing on our treatment packages, and a sale on our Canadian made pharmaceutical skin line Vivier.

See how we can make your skin glow at Henry Family Vision.

Virtual Open House

This spring, forest company ANC Timber (Alberta Newsprint Company) will be holding a virtual "open house", to share forestry operating plans for the year ahead. These events provide the general public and stakeholders with the opportunity to review the company's planned activities in road development, harvesting, hauling, reforestation and herbicide treatment for the current forestry year. Public stakeholder input is gathered and utilized to influence operations where site specific concerns are identified such as trails, camping areas, recreation areas etc.

We would like to invite you to visit the websites below to view each companies upcoming forest activities. We will have a variety of plans available for review including: Areas of Operations for 2023-2024 season; Company Reforestation Plans; and Herbicide Treatment Plans.

HAY YOU!

Would you like to be a producer of weed-free forage in Yellowhead County?

Yellowhead County is one of 20 municipalities who are part of the Alberta Certified Weed-Free Forage program and we want to help you get certified!

How It Works

- A crop must be inspected within 10 days of harvest
- Inspectors can certify all OR a portion of a field as 'weed-free'
- Inspectors even have the authority to certify fields with weeds present, provided that no propagative plant parts (flowers, seed heads, root fragments) will enter the baled forage!

Interested in getting your field inspected?
Contact Yellowhead County Agricultural Services at 780-325-3782 or email the AISC at info@abinvasives.ca.

NEW! Busing Distance Eligibility Update for September 2023

In April 2023, the Alberta Government approved changes to the distance eligibility for transportation service effective for September 2024.

- The eligible transportation distance criteria of 2.4 kms from the student's primary residence to the school will be reduced. **New** distance criteria for eligible service is:

1.0 km or more for children in kindergarten and students in Grades 1-6; and,
2.0 kms or more for students in Grades 7-12 will qualify for transportation service.

As a phased approach to implementing the new service criteria, Grande Yellowhead Public School Division is moving to implement the changes for September 2023.

Families who qualify for eligible service under the new distance criteria are invited to register for busing as soon as possible.

The Division will try to accommodate as many newly eligible riders as possible. Registrations received after June 30, 2023, are subject to seat availability.

FEE-BASED SERVICES: INELIGIBLE AND ALTERNATE (SECOND) SEAT REQUESTS FOR SEPTEMBER 2023

Requests for ineligible bus service should also register by the June 30 deadline; however, please note that eligible students will have priority on all routes.

Based on increased eligible riders, ineligible riders may not receive confirmation of a seat until after September 30, 2023. Additionally, requests for alternate (second) seats on other bus routes may not be confirmed until after September 30, 2023.

The Division is currently looking to recruit and train new bus drivers in anticipation of increases to eligible student ridership once the mandatory service requirement comes into effect in 2024. Please visit the **Careers** page on the Division's website at www.gypsd.ca/working-at-gypsd.

Parents are asked to email Transportation Services at transportation@gypsd.ca for more information on bus registration and access to fee-based services.

Ladies Night features Chinese arts and crafts

This month's Ladies Night featured unique Chinese calligraphy art and paper crafts. This event took place on May 26 at the Kinsmen Shack. photo Niki Luymes

by Niki Luymes

Edson and area ladies were able to come out for a night of creative fun at the Town of Edson's Ladies Night event. This month's event was held at the Kinsmen Shack, on May 26.

The event cost \$20 per person and requires pre-registration. Just over a dozen ladies attended the evening which ran from 7pm to 9pm.

The activities for the night included Chinese calligraphy and paper cutting crafts led by local artist Isabel Dong. Under her guidance, each lady created unique calligraphy art and their own paper art in the form of the Chinese character for spring. The ladies also enjoyed food alongside the crafts which

included special snacks and tea from China. Dong also brought along some traditional Chinese art for display and shared stories of her history as an artist.

This month's Ladies Night activity was originally planned for World Art Day on April 15, but was moved. However, This May is Asian Heritage Month in Canada which also fits nicely with the chosen theme. The events are open for ladies of all ages and are a great way to connect with others. "We wanted to give an opportunity for ladies to get together and try something new, something they've maybe never done before," said Town of Edson Community Development Coordinator, Diana

Inscho. "And also to spend some time together because

community is so important."

This event will now be on pause for the summer months and

restarting in October.

The Town also has many other events planned throughout the summer for people of

all ages. You can find more information at edson.ca.

Thank You

The family of Lee Davis would like to thank everyone who brought food to the house, sent the many cards, flowers, texts, phone calls and kind words at the time of his passing.

Special thanks to Ron Deleeuw for doing a great service, Rixon and Kari Keyes for the music, Jeff Mackay for his work at the cemetery and the Beaver Meadow Ag Society for the lovely lunch and all their work at the hall.

Words cannot express how much it all meant to us. Thanks again and God Bless!

Shandy's Dream for a Cure returns to RCMP Centennial Park

by Deanna Mitchener

The Annual Shandy's Dream for a Cure Barbecue and Fundraiser will be held on June 24 from 12:00 p.m. to 4:00 p.m. in the RCMP Centennial Park in Edson.

In 2015, Barbie Brown and husband Rod Reichenbacher lost their daughter Shandy to a brain tumour at the tender age of just 11 years old.

Shandy had a dream to help find a cure for brain cancer. After her

passing the family was resolved to keep her dream alive. They started Shandy's Dream for a Cure to raise much needed funds for paediatric brain tumour research.

In June each year family, friends, and the community come together to remember Shandy and to help raise awareness and money for research to one day find that cure.

"Since starting Shandy's Dream for a Cure in 2016 we have raised over \$100,000 in support of paediatric research. For four years

Brain Canada matched our money that was raised," said Barbie.

"During Covid in 2021 and 2022 we couldn't hold the barbecue due to restrictions, so we decided to try a bottle drive. Now that Covid restrictions have lifted we are back doing the barbecue fundraiser, plus we will still do the bottle drive in September. Our goal is to raise \$10,000 this year," said Barbie.

If you would like to help support this cause you can go online to <https://rb.gy/ybboph>

anytime to make a donation. You could also come out to the barbecue and purchase a burger and purchase some memorabilia in Shandy's name, as well as start saving bottles for the September 9 bottle drive.

The Trail Hall hosted a garage sale on May 27, as a fundraiser for the community hall. With so many other events happening around the community, they weren't sure if they would get many to travel out there. However, they had very positive reviews from both the vendors and community members who did go to browse the sale items. Organizers are now discussing plans to hold the event yearly to benefit the Hall. photo Deanna Mitchener

Leona Alice (Fischer) Lemire

Leona Alice (Fischer) Lemire was the first of three daughters of Gerhart Fischer and Isabelle Backus. She was born in Allan Saskatchewan on August 16th, 1937, and died peacefully in Hinton Alberta at 10:00 am May 21st, 2023, at the age of 85.

In 1958 Leona met Paul Ronald Lemire of Falher Alberta who was working in siesmograph in Saskatchewan. Leona and Paul were married on October 10th, 1959, and moved briefly to Edmonton Alberta, then to Edson Alberta where their sons Patrick and Wayne were born.

They moved to Hinton in 1966 and had been residents from then on. Leona started working at the Bank of Nova Scotia shortly afterwards and continued there until 1979(?). She then took a position with transalta utilities until she retired.

She and Paul spent their retirement years travelling, camping, and attending many of Alberta's rodeos and chuckwagon races.

After Paul passed in 2017, she enjoyed travelling to Jasper Park with her son Wayne on a regular basis and enjoyed spotting all sorts of wildlife on their trips. She also enjoyed the ice cream cones that they would get on every trip and the odd picnic at the Talbot Lake rest stop every so often to look at the family of loons that nest there every year.

Leona was predeceased by her parents and husband Paul. She leaves a lasting legacy with her son Patrick and his wife Donna of Fort St. John BC, her grand daughter Diane (Brett Tangen) and great grandsons Hunter and Jaxx Tangen, also of Fort St. John BC and son Wayne of Hinton Alberta. Leona also leaves behind her two sisters Margaret Brophy of Edmonton and Marie Elder and her family of Saskatoon and Regina Saskatchewan. Leona also has left many nieces, nephews, and cousins from extended family behind to mourn her passing.

The family would like to thank Dr. Corser, as well as the many doctors, nurses, and caregivers both at the Hinton Healthcare Center and the Hinton Continuing Care Center for their compassionate care of Leona these past several months.

Alcide Joseph Emile Cloutier

August 27, 1943 - Rouyn, Quebec
May 16, 2023 - Calgary, Alberta

Alcide Joseph Emile Cloutier of Calgary, AB, passed peacefully away at home on May 16, 2023 in the arms of his loving wife, Linda. He lived a wonderful life that included many years in both Quebec and Alberta. His career in municipal administration included CAO positions in Lowe and Chelsea, QC, as well as Clear Hills County, and Vulcan, AB.

Left to mourn his passing are his loving family, wife, Linda Cloutier (nee Ambrogiano, Bergman); son, Rock Cloutier (Geneviève Labine); daughter, Nadine Cloutier (Jean Pigeon); stepson, Bryan Ambrogiano (Jana); stepdaughter, Tracy Ambrogiano; daughter-in-law, Isabelle Courval; his beautiful grandchildren who he loved so much and was so proud of, Camille-Anne, Salomé, Xavier, Zacharie, Matthias, Clara, Fabé, Thomas, Olivia, Jack, and his great grandson, Maho. He is also survived by his brothers, Gilbert Cloutier (Andrée), Rheel Cloutier (Huguette), Michel Cloutier (Linda); brothers-in-law Aimé Bédard and Donald Bergman (Debbie); sisters-in-law, Kay Kenny and Jackie Mitchell (Bob); goddaughter, Vickie Dion, along with his many nieces, nephews, cousins and friends. We will all miss his smiling face and gentle, kind, positive and loving soul, and, though we grieve for our loss, we are happy he is now at peace.

He was pre-deceased by his mother and father, Diane Lamothe and Arthur Cloutier; sister, Monique Bédard; parents-in-law, Helen and George Bergman; sister-in-law Colette Crégheur and brother-in-law, Pat Kenny.

At Alcide's request he was cremated in Calgary and a memorial service will be held at a later date in Masham, QC, where he will be laid to rest. More details, condolences, memories, and wishes may be viewed and shared online at countryhillscrematorium.ca.

50 years of History for the Carrot Creek 4-H Club

by Cameron Coady, Club Reporter

This year is the 50th year of running for the Carrot Creek 4-H Club. The club has been through a lot over the last 50 years. The club started back in 1973 and has been going and growing ever since. Back in 1973 the Grand Champion sold for \$0.64 per pound. As the club grew so did the people

who got involved. The buyers, members and leaders grew in size.

In 1973 our first Club Champion was won by Jody Karzlen. Years later his own children were part of the Carrot Creek Club. Looking through the history of the club many members from years ago later had their children join the club. There is a strong family history in our

club. The leaders in 1973 were Linda Roder, Eric Karlzen, Robert Mackay, Ed Birkenhagen, Joan Aschenmeir and Hans Roder. Members included Anne Auriat, David Birkenhagen, Arnold and Frank Deleeuw, Ricky and Rodney Gale, Jim Hart, Eric & Jody Karzlen, Dale and Jeff MacKay, Joanne Rizzie, Leslie &

Lorrie Roder, Ron Thomas and Bernice Van Dyk.

The club has been doing Highway Cleanup, Speak-offs, Community Service Events, Multi Card and Achievement Days over the last 50 years. Even though such things as Covid slowed us down, and this year with the wildfires, we were able to make our way past the circumstances and pull through.

This year we are happy to say we are back to doing Multi Card after being restricted from doing so over the last couple of years. The club is back at full speed after all these years of being slowed down. This year we were able to do almost all of our events and more. Even though the club is 50 years old, we are as strong as ever and heading to another Achievement Day. We just want to say thanks

to all the buyers, our club. We can't wait to members and leaders see you on June 2, 2023. that have been a part of

Combined Mothers and Father's Day Brunch

by Deanna Mitchener

The Pioneer Cabin was going to host a Fashion Show and Mothers Day Tea, but it was cancelled due to all the wildfires and smoke in the area. They have decided now to host a combined Mothers and Fathers Day Brunch at the Pioneer Cabin on June 16 running from 11:00 a.m. to 1:00 p.m.

Marj Kears said, "We have never hosted a Father's Day social in the past. We thought this would be a great time to remember both the mothers and fathers. With it being a brunch you can plan on having all those great morning goodies available. The event is open to the public so everyone is invited, you just pay at the door when you arrive."

If you are looking for a great meal for yourself or as a gift for that special parent, come to the Edson Pioneer Cabin for brunch. You will not be disappointed.
